

DISCIPLESHIP. SUPPLEMENT 2

[BIBLE]

A PROGRAMME FOR BIBLE READING

“All Scripture is God-breathed and is useful for teaching, rebuking, correcting and training in righteousness, so that the man of God may be thoroughly equipped for every good work.” (2 Timothy 3:16-17)

A Bible reading programme for one to three years.

Read systematically through your Bible. Use a programme for Bible reading. The programme for Bible reading below provides the possibility to read through your Bible in one, two or three years.

- In 1 year: Read all three columns each day.
- In 2 years: In the first year, read the New Testament column and the *left* Old Testament column each day. In the second year, read the New Testament column and the *right* Old Testament column each day.
- In 3 years: Read just one column each day.

How to use a Bible reading plan.

Mark off the passages you read. You could read the Bible when you have a personal time with God, when you have family worship or just before you go to sleep. You could also read your Bible in the services of your congregation or while you travel. Read your Bible aloud to other people who cannot read or have never heard it.

How to read your Bible. As you read the Bible each day, do the following:

- Pray. Ask God to help you *understand* what you read.
- Read. Carefully *read* the Bible passage.
- Mark. Carefully *mark* certain motivating words and verses (See manual 1, supplement 3).
- Respond. *Pray* to God about the passage. What does God intend you to *know* or *believe* or *be* or *do*?
- Meditate. *Meditate* on one thought from the passage throughout the day.
- Pass on. Graciously *tell* someone what God has taught you.
- Apply. Determine to *apply* this truth to your life today.
