

DISCIPLESHIP. SUPPLEMENT 3

[BIBLE]
A SYSTEM FOR BIBLE MARKING

Devise your own System for Bible Marking and use it while you read the Bible.
It is useful for the following:

- It forces you to concentrate and think what God is saying to you while you read.
- You can more easily find passages in the Bible that you are looking for.
- You can study a particular topic in a Bible book or in the whole Bible.

<p>1. <u>Give a title</u> to every chapter in the Bible. E.g. Psalm 1. THE TWO WAYS.</p> <p>2. <u>Circle</u> the number of important chapters and verses. E.g. Psalm 1 verse 3</p>	<p>3. <u>Underline</u> important words and sentences. E.g. Psalm 1:2. "<u>meditates day and night</u>".</p> <p>4. <u>Draw symbols or pictures</u> in the margin that indicate important topics. E.g. Psalm 1:3 the symbol next to "yields fruit in season"</p>
