

# DISCIPLESHIP. SUPPLEMENT 3

**[BIBLE]**  
**A SYSTEM FOR BIBLE MARKING**

Devise your own System for Bible Marking and use it while you read the Bible.

It is useful for the following:

- It forces you to concentrate and think what God is saying to you while you read.
- You can more easily find passages in the Bible that you are looking for.
- You can study a particular topic in a Bible book or in the whole Bible.

<p><b>1. Give a title</b> to every chapter in the Bible.          E.g. Psalm 1.    <b>THE TWO WAYS.</b></p> <p><b>2. Circle</b> the number of important chapters and verses.          E.g. Psalm    ○    verse    ③</p>	<p><b>3. Underline</b> important words and sentences.          E.g. Psalm 1:2. “<u>meditates day and night</u>”.</p> <p><b>4. Draw symbols or pictures</b> in the margin that indicate important topics. E.g. Psalm 1:3 the symbol  next to “yields fruit in season”</p>
